Scoring at a glance

- Card values: joker 50, 2 and ace 20, 8 to king 10, 4 to 7 5, black 3 5.
- Melded cards count plus. Cards left in your hand or foot count minus.
- Count every melded card, including the cards in your books, then add the book bonus.
- Books of 7: clean (no wild cards) 500, dirty 300, all-wild 1500 if your table plays them.
- Red 3s: plus 100 each laid down, minus 100 each caught in a hand or foot.
- Going out adds 100.
- First meld each round must reach 50, 90, 120, then 150. Bonuses do not count toward it.
- Highest total after round 4 wins.
